under the leadership of **TED MUNCH.**

For 31 years, I have had the honor of serving you, my neighbors. I have worked hard to protect and improve our quality of life, ensure excellent city services and respond to all your concerns.

As your Mayor, I will continue to be responsive and accessible. I believe Westwego is a great place to live, work and raise a family, and I want to keep it that way. With your help, we can continue the progress that has made our city great.

Throughout the coming weeks, I'll be coming door to door and I hope to meet and talk with each and every one of you. I want to hear your concerns, your hopes and your dreams for the wonderful city we call home.
